

PROJECT REFERENCE

Bangkok Produce Company Ltd. - Further Processing Plant

Surface preparation, the installation of over 1,000m² of new polymer modified mortar screeds to falls and the application of the **Densitop MT** system to floors, gutters and curbs were awarded to Hammersmith in a competitive tendering process in July of 2002.

All installation works were completed during an intense six week period during August and September with completed floors handed over in early October.
