

PROJECT REFERENCE

STRUCTURAL AUDIT CONCRETE REPAIRS - CAS CENTRE, RAMA IX

As a condition for financing the recommencement of works and ultimately the change of use of this 36 story building which had stood untouched for over 20 years on Din Daeng Road, a full independent audit of the building structure was commissioned and carried out and a schedule of essential structural repairs produced to be completed prior to the lender signing off on the project.

Hammersmith were responsible for the provision of all of the repair works Method Statements the selection and specification of repair materials and ultimately the completion, testing and handover of this 25 Million Baht structural repair project.
